## Save-On-Foods, along with business and supplier partners, raises record \$700,000 for children's hospitals at 27<sup>th</sup> annual Save-On-Foods Charity Golf Tournament

**(Thursday, June 6, 2024 – Langley, B.C.)** Nearly 300 golfers hit the links on Wednesday, June 5 in support of the five children's hospitals across Western Canada at the 27<sup>th</sup> annual Save-On-Foods Charity Golf Tournament, and raised the most in the tournament's history: \$704,878.

The highly anticipated golf tournament, hosted by Western Canada's largest grocery retail chain, sold out in mere hours. Golfers from Save-On-Foods' business and supplier partner community were hosted by company leaders at Surrey's Northview Golf and Country Club for a day of networking and fun, with all proceeds benefiting the foundations of Save-On-Foods' hospital partners: BC Children's Hospital, the Children's Hospital of Manitoba, Jim Pattison Children's Hospital, Stollery Children's Hospital, and Alberta Children's Hospital.

Representatives from the hospital foundations attended the event, as well as the parents of twin patients at BC Children's Hospital, who shared with tournament participants how the funds raised at events like this one impact real families every day by enabling the world-class care, expertise, and outstanding commitment to health from the professionals at BC Children's Hospital and children's hospitals like it.

"Every year, our community of team members, supplier partners and business partners looks forward to this golf tournament at beautiful Northview Golf and Country Club, and for good reason," said Darrell Jones, president of Save-On-Foods' parent company Pattison Food Group. "Not only is this day a fantastic opportunity to connect with each other, but it gives us an opportunity to reflect on the impact working together has on our friends and neighbours all across Western Canada. I am so proud of this year's record total donation, and extremely appreciative to the folks who supported the success of this tournament and ultimately, the success of our future – our kids."
