Save-On-Foods charity golf tournament raises record-breaking \$1 million for children's hospitals across Western Canada

(June 11, 2026 – Langley, B.C.) Save-On-Foods is proud to announce that its 29th Annual Charity Golf Tournament has raised a record-breaking \$1 million in support of five children's hospitals across Western Canada, surpassing last year's record total of \$810,363.

When the silent auction closed at dinner, the total had already surpassed \$925,000—a new record. In true Save-On-Foods fashion of giving a little extra, Pattison Food Group President Jamie Nelson then announced an additional commitment: the company would top up the total, bringing the final donation to an even \$1 million.

Held at the Northview Golf & Country Club in Surrey, B.C., this year's tournament brought together more than 350 golfers from Save-On-Foods' valued supplier and partner community. Their generosity and support continue to drive meaningful impact for children and families across Western Canada.

Funds raised through the tournament will support children's hospitals in the provinces Save-On-Foods serves:

- BC Children's Hospital (British Columbia)
- Alberta Children's Hospital (Alberta)
- Stollery Children's Hospital (Alberta)
- Children's Hospital Foundation of Manitoba (Manitoba)
- Jim Pattison Children's Hospital Foundation (Saskatchewan)

"What we've raised this year is truly remarkable and reflects what's possible when our community comes together with a shared purpose," said Jamie Nelson, president of Pattison Food Group. "Thank you to our supplier and business partners, team members and community members. Reaching this milestone, \$1 million for children's hospitals, shows that by coming together, we can make a real difference."

Each year, the Save-On-Foods Charity Golf Tournament brings together industry partners who share a commitment to improving access to critical pediatric care and advancing health outcomes for children.
