## Save-On-Foods announces new store in Port Moody

**(July 17, 2025 – Port Moody, B.C.)** Save-On-Foods is thrilled to announce its return to the Port Moody community with the opening of a 13,000-square-foot store later this fall.

Located in the heart of one of Metro Vancouver's most vibrant neighbourhoods, the new store is designed with convenience and community in mind, bringing customers the very best of Save-On-Foods in a smaller, easy-to-shop format.

The company last operated in Port Moody in the 80s under the Your Mark-It Foods banner. The company's return marks a meaningful milestone in its long-standing relationship with the community.

"We're so excited to be back in Port Moody," said president Jamie Nelson. "This new store reflects our commitment to meeting the unique needs of each neighbourhood we serve. It's a great location that will deliver the same great quality, service, and local products our customers know and love – just in a more compact footprint."

The new store will feature a full selection of fresh, high-quality produce, meat, dairy, and grocery essentials alongside local favourites and exclusive Save-On-Foods signature items. Customers can look forward to Save-On-Foods Kitchen offerings like fresh sushi and bento boxes, popular Western Family products including its fan favourite sparkling water, and a variety of freshly baked, locally made cakes and pies.

"Port Moody is such a unique and vibrant community and we're very proud that we're going to be part of it soon," said store manager Steve McCue. "Save-On-Foods is well-known in the Tri-Cities and the team can't wait to welcome our neighbours into the store later this fall."

Save-On-Foods Port Moody will be located at 221 loco Road and is expected to open in mid-September.

Save-On-Foods, B.C.'s Most Loved Brand, currently operates four stores across the Tri-Cities – and with the upcoming opening of Port Moody, that number will grow to five. Company-wide, this addition will bring Save-On-Foods to 189 stores across B.C., Alberta, Saskatchewan, Manitoba and the Yukon.
